

Independent Lifestyle ♦ Assisted Living ♦ Encore Memory Care

August 26, 2019

Dear Members:

We hope this letter finds you well and enjoying your summer!

The kick-off for the Walk to End Alzheimer's is August 28th and our annual Bake Sale begins Sunday September 1st through the 8th. Please keep a look out for more announcements, fundraising events, and opportunities to support the Walk to End Alzheimer's over the next few weeks. We hope you can join Team Birches' at the Naperville Walk on Sunday September 15th.

KodoCare Pharmacy will begin dispensing our medications effective October 1st for those who are on our medication administration package.

If you are taking a member out of the building or off the front porch for an outing, please remember to sign them in/out at our front desk or call our front desk to make them aware that they are going off campus. Our receptionists will be forever grateful if you remind your family and friends to do the same when visiting.

Please join us for our first *Need to Know Series* event, *Planning for the Unexpected: Protecting Your Assets from Nursing Home Costs*, on September 12th at 6:30 p.m. with attorney, Nancie Dorjath, from Dorjath Law Center. Life doesn't always follow a script, which is why it's important to plan ahead for you and your family.

Join us for our book signing event on Thursday September 26th with Joy Loverde, renowned author, aging expert, and good friend of The Birches. She will be sharing smart strategies for living your best life now and in the future.

I am excited to announce that my husband and I are expecting our first baby. We are about 27 weeks now and due at the end of November. The gender will be a surprise for all of us, and I look forward to introducing our baby to the great family we have here at The Birches.

Thank you for your confidence in our community. We love what we do, and we're privileged to have your support!

Jacqueline Sander, executive director
